

# Hanukkah Social Story

Hanukkah comes in the Hebrew month of Kislev.

It is called the Festival of Lights.

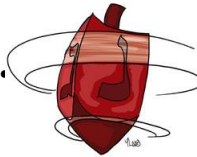

We celebrate Hanukkah for 8 nights.

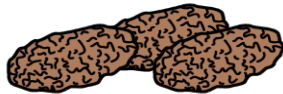

I can play the dreidel game with my family.

Watch the dreidel spin. Spin, Spin, Spin!  
Taking turns is fun!!

During Hanukkah I can taste the yummy potato  
pancakes. Mmm...they taste so good.

Each night we light candles in the menorah.  
We add one new candle each night.

In the house, I can see the candles burning in the  
menorah.
