Play one or more of these games with your partner. Set a timer for 2 min for each game. You can check your matches against the word list.

- **Match:** Flip all the cards over so that you can't see the Hebrew or English words. Turn over 2 cards at a time during your turn. You get a match when you turn over the Hebrew word and its corresponding English meaning. See how many matches you can make in 2 minutes.
- **Find it:** Sort the cards into a stack of Hebrew and a stack of English. Each partner takes one stack. The first partner shows a word from his stack and the other partner sorts through his stack to find the matching word. See how many you can find in 2 minutes!
- **Flashcards:** Sort the cards into a stack of Hebrew and a stack of English. One partner holds up a Hebrew word and the other partner says what it means in English. Play again showing the English word and responding with the Hebrew.
