

## Chair of Honor

### כסא הכבוד

Prepare the Chair of Honor:

Inexpensive folding chairs can be purchased at Walmart, Costco, and other discount retailers. Have your students decorate the chair with colorful craft tape, stickers, and curling ribbon. Die cut the letters כסא הכבוד or cut out the bubble letters included and attach to the chair back using hot glue or double sided tape.

Two uses:

- 1) Reinforce the value of *hachnasat orchim* (welcoming guests). As visitors come to your room, honor them with a seat in the special chair. Before they leave, invite them to write their name on the chair seat with paint pen.
- 2) *Yom Huledet Sameach* (Happy Birthday)! Celebrate a student's birthday with a chair of honor that "travels" around the room. Have the child sit in the chair on his or her special day, and then add his or her name to the chair using a paint pen.
